Medical Travel Agent check list

"Acquiring a medical travel agent simplifies your medical travel"

To ask	Comments
Experiences, (years in business, how many customers, experience with your specific treatment? etc.)	
Service packages, (what is included in their packages, what types can they offer? etc.)	
Fees, (what does the cost structure look like, how much can you save, when and how do you have to pay?)	
Contractual agreement, (what responsibilities, liabilities? etc.)	
Customer references, (can they put you into contact with previous customers, with similar ailments as your own?)	
Doctor & hospital connections, what type of hospitals can they recommend you?
